Dear Kira, Parents and Students,

On behalf of the Animal Rescue League of Berks County's Board of Directors, staff, and myself, I would like to thank you for your recent donations of animal supplies in support of our annual campaign and all of the effort you put forth into collecting these items for the ARL! We were so excited to hear how successful this drive was and we want to let each and every one of your students know how much we appreciated it!

The continued strong support of schools like Owen J Roberts allows the Animal Rescue League of Berks County to carry out its mission of positively impacting the humane treatment of animals in the community, and bettering the lives of the lost, sick, injured, and homeless animals in Berks County. It is gratifying for me to know that so many people in the community support our mission and that there are so many animal lovers out there like all of you!

The Animal Rescue League is currently the only open admission animal shelter serving all of Berks County, including the City of Reading, and is the only shelter in Berks County that contracts with municipalities to accept stray animals and perform animal control. In addition, we are the main resource for the investigation of animal cruelty and large animal rescue. Donations like these support our success and ensure that we can continue to provide the highest quality service to our animals and to the community.

Thank you again for your thinking of the Animal Rescue League and we hope that you will continue to support our shelter in the future!

Sincerely,
