Lion Cubs from the area's five elementary schools collected over 200 used eyeglasses to be distributed around the world for people in need of corrective vision or sun glasses. What happens to the eyeglasses after they are collected? Follow their journey here: <http://www.lionsclubs.org/EN/our-work/sight-programs/eyeglass-recycling/the-journey-of-a-pair-of-eyeglasses.php>

The eye glass collection was just one of several projects the O.J.R. Lion Cubs participated in this year. You can read about their other projects on this site http://www.coventrylions.org/index.php?option=com_content&view=section&id=9&Itemid=58

The Lion Cubs have helped make a difference in their communities with projects and efforts designed to help those in need. At the same time the Lion Cubs are learning the skills needed to become the leaders of tomorrow, the benefits of cooperation in achieving a goals and the sharing of ideas to create a stronger club.

This is just the second year of the existence of the Lion Cubs. The Coventry Lions Club, their parent club, looks forward to the future projects and accomplishments of the Lion Cubs of Owen J. Roberts.
